Witness Statement in relation to Glebe Way Level Crossing

Witness Statement of Julia Norcott

- I, Julia Norcott , am retired and at home.
- I live in [REDACTED] Cranleigh Gardens, CT5 4RL and have lived in WHITSTABLE for 32 years.
- I make this statement because I object to the proposed extinguishment of the Glebe Way Level crossing.
- I walk over the crossing every morning on my daily dog walk. I use it to access the beach and town. I also use to use it with my children to access the beach. Visibility both up and down the track is very clear and you have plenty of time to consider the safety of the crossing and if there are any approaching trains.
- Closure would mean a long detour down a very busy road and not a very pleasant walk.
- I am prepared to attend the forthcoming inquiry to give evidence.

STATEMENT OF TRUTH

I believe that the facts stated in this witness statement are true.
