From Dennis and Sue Holt, [REDACTED] Shoreham Road, Otford, Sevenoaks, Kent. TN14 5RN.

Dear Yvonne

As residents of Otford for more than 20 years, we would like to comment on the proposal to replace the level crossing at the railway line between Well Road and Tudor Drive with a footbridge. The current arrangement has been accident free for more than a century and a half, and we consider a footbridge would be much more hazardous to users, including ourselves. We would therefore like to register our strong objection to this proposal.

Could we ask you please to ensure that our views are shared with the appropriate decision makers.

Sincerely

Dennis and Sue Holt
